# TENNIS

## 11 Courts: 7 Allweather, 4 Acrylic with 7 Floodlit

Tennis and tennis coaching at every level  
for players of all ages

**Team Tennis** Our Men's and Ladies' first teams play in the National Club League and the Bucks Shield Premier Division. We have 25 teams playing Men's, Ladies' and Mixed competitive tennis. This covers every level in League and Cup competitions, at weekends and midweek, and includes some very successful Veteran's teams.

**Social Tennis** This thrives at the club with regular sessions every weekend and during the week where you just turn up and play. We even supply the balls for these sessions within the price of your membership!

**Juniors** They are the future and the club is investing heavily in developing them. We now have 250 juniors with many squads and coaching sessions organised and managed by the Club's Head Coach Peter Lavery. We are both a 'Performance Club' and a Mini-Tennis accredited centre and several of our juniors have been selected for county and national development squads.

# SQUASH

**4 County Squash Courts  
including a new glass back court with viewing  
'The best courts in Bucks'**
